THE CENTRAL GEORGIA ELECTRIC MEMBERSHIP CORPORATION

ARTICLE I MEMBERSHIP

Section 1.01. Eligibility.

(a) Any natural person, firm, association, electric membership corporation, foreign electric cooperative, corporation, domestic or foreign, business or other trust, partnership, Federal agency, state or political subdivision thereof, or any body politic (each hereinafter referred to as “person,” “applicant,” “him/her” or “his/hers”) shall be eligible to become a member of, and, at one or more premises owned or directly occupied or used by him/her, to receive retail electric service from The Central Georgia Electric Membership Corporation (hereinafter called the “Cooperative”). No person shall hold more than one membership in the Cooperative.

(b) Also any person upon receipt of a contract, approved in the discretion of the Board of Directors, for wholesale electric service may become a member by paying the membership fee and executing the contract as approved by the Board of Directors in its discretion.

Section 1.02. Application for Membership; Renewal of Prior Application. Application for membership for retail service — wherein the applicant shall agree to purchase electric power and energy from the Cooperative and to be bound by and to comply with all of the other provisions of the Cooperative’s Articles of Incorporation and Bylaws, and all rules, regulations, rate classifications and rate schedules established pursuant thereto, as all the same then exist or may thereafter be adopted or amended (the obligations embraced by such agreement being hereinafter called “membership obligations”) — shall be made in writing on such form as is provided therefor by the Cooperative. A membership fee as provided for in Section 1.03 shall be paid (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative), which fee (and such service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction, if any) shall be refunded in the event the application is by Board resolution denied. Nevertheless, by paying the initial invoice for electric service, the applicant will be deemed to have: 1) applied for membership in

Central Georgia EMC; 2) agreed to be bound by and comply with Central Georgia EMC's membership obligations; (3) agreed to purchase all electricity used on the premises from Central Georgia EMC; and (4) granted to Central Georgia EMC the right to enter the property to repair and maintain Central Georgia EMC's equipment and to read the meter. Any former member of the Cooperative may, by the sole act of paying a new membership fee and any outstanding account plus accrued interest thereon at the Georgia legal rate on judgements in effect when such account first became overdue, compounded annually (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative), renew and reactivate any prior application for membership to the same effect as though the application had been newly made on the date of such payment.

Section 1.03. Membership Fee; Service Security and Facilities Extension Deposits; Contribution in Aid of Construction. The membership fee shall be as fixed from time to time by the Board of Directors. The membership fee (together with any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction or any combination thereof, if required by the Cooperative) shall entitle the member to one service connection. A service connection deposit or fee, in such amount as shall be prescribed by the Cooperative (together with a service security deposit, a facilities extension deposit or a contribution in aid of construction, or any combination thereof, if required by the Cooperative), shall be paid by the member for each additional service connection requested. A service security deposit shall be collected with respect to any service when the Cooperative determines that such deposit is needed to assure payment of the electric bill. In determining the need for service security deposits, and in fixing the amount of such deposits, the Cooperative will give careful consideration to the following factors: (a) type of service involved; (b) risk involved in a new business enterprise; (c) the credit rating of the member; (d) history of connects, disconnects, and reconnects for the involved member; and (e) any other factors having a realistic bearing on the member's financial dependability.

Section 1.04. Joint Membership. Any two or more persons, by specifically so requesting in writing, may be accepted into joint membership or, if one of them is already a member, may automatically convert such membership into a joint membership. The words "member," "applicant," "person," "his/hers" and "him/her," as used in these Bylaws, shall include a husband and wife or any two or more persons applying for or holding a joint membership, unless otherwise clearly distinguished in the text; and all provisions relating to the rights, powers, terms, conditions, obligations, responsibilities and liabilities of membership shall apply equally, severally and jointly to them. Without limiting the generality of the foregoing —

- (a) The presence at a meeting of either or all shall constitute the presence of one member and a joint waiver of notice of the meeting;

(b) The vote of either or all shall constitute, respectively, one joint vote; PROVIDED, that if all be present but in disagreement on such vote, each shall cast only an appropriate fractional vote;

(c) Notice to, or waiver of notice signed by either or all shall constitute, respectively, a joint notice or waiver of notice;

(d) Suspension or termination in any manner of either shall constitute, respectively, suspension or termination of the joint membership;

(e) Each, but not all concurrently, shall be eligible to serve as a director of the Cooperative, but only if all meet the qualifications required therefor.

Section 1.05. Acceptance into Membership. Upon complying with the requirements set forth in Section 1.02, any applicant shall automatically become a member on the date of his/her connection for retail electric service: PROVIDED, that the Board of Directors may by resolution deny an application and refuse to extend service upon its determination that the applicant is not willing or is not able to satisfy and abide by the Cooperative's terms and conditions of membership or that such application should be denied for other good cause; PROVIDED application should be denied for other good cause; PROVIDED FURTHER, that any person whose application, for sixty (60) days or longer, has been submitted to but not denied by the Board of Directors and who has not been connected by the Cooperative for electric service may, by filing written request therefor with the Cooperative at least thirty (30) days prior to the next meeting of the members, have his/her application submitted to and approved or disapproved by the vote of the members at such meeting, at which the applicant shall be entitled to be present and be heard.

Section 1.06. Purchase of Electric Power and Energy; Power Production by Member; Application of Payments to All Accounts. The Cooperative shall use reasonable diligence to furnish its members with adequate and dependable retail electric service, although it cannot and therefore does not guarantee a continuous and uninterrupted supply thereof; and each such member, for so long as such premises are owned or directly occupied or used by him, shall purchase from the Cooperative all central station electric power and energy purchased for use on all premises to which electric service has been furnished by the Cooperative pursuant to his/her membership, unless and except to the extent that the Board of Directors may in writing waive such requirement, and shall pay therefor at the times, and in accordance with the rules, regulations, and rate schedules (including any monthly minimum amount that may be charged without regard to the amount of electric power and energy actually used) established by the Board of Directors and, if in effect, in accordance with the provisions of any supplemental contract that may have been entered into as provided for in Section 1.02. Production or use of electric energy on such premises, regardless of the source thereof, by means of facilities

which shall be interconnected with Cooperative facilities, shall be subject to appropriate regulations as shall be fixed from time to time by the cooperative. Each member shall also pay all other amounts owed by him/her to the Cooperative as and when they become due and payable. When the member has more than one service connection from the Cooperative, any payment for service to him/her by the Cooperative shall be deemed to be allocated and credited on a pro rata basis to his/her outstanding accounts for all such service connections, notwithstanding that the Cooperative's actual accounting procedures do not reflect such allocations and proration. Wholesale members being served pursuant to a separate contract shall be served at cost and in accordance with the contract approved by the Board of Directors prescribing the terms of service.

Section 1.07. Excess Payments to be Credited as Member-Furnished Capital. All amounts paid for electric service in excess of the cost thereof shall be furnished by members as capital, and each member shall be credited with the capital so furnished as provided in Article IX of these Bylaws.

Section 1.08. Wiring of Premises; Responsibility Therefor; Responsibility for Meter Tampering or Bypassing and for Damage to Cooperative Properties; Extent of Cooperative Responsibility; Indemnification. Each member shall cause all premises receiving retail electric service pursuant to his/her membership to become and to remain wired in accordance with the specifications of the Georgia Insurance Service Office, the National Electric Code, any applicable state code or local government ordinances, and of the Cooperative. If the foregoing specifications are variant, the more exacting standards shall prevail. Each member shall be responsible for — and shall indemnify the Cooperative and its employees, agents and independent contractors against death, injury, loss or damage resulting from any defect in or improper use of maintenance of — such premises and all wiring and apparatus connected thereto or used thereon. Each member shall make available to the Cooperative a suitable site, as determined by the Cooperative, whereon to place the Cooperative's physical facilities for the furnishing and metering of electric service and shall permit the Cooperative's authorized employees, agents and independent contractors to have access thereto safely and without interference from hostile dogs or any other hostile source, for meter reading, bill collecting and for inspection, maintenance, replacement, relocation, repair or disconnection of such facilities at all reasonable times. As part of the consideration for such service, each member shall be the Cooperative's bailee of such facilities and shall accordingly desist from interfering with, impairing the operation of or causing damage to such facilities, and shall use his/her best efforts to prevent others from so doing. Each member shall also provide such protective devices to his/her premises, apparatuses or meter base as the Cooperative shall from time to time require in order to protect the Cooperative's physical facilities and their operation and to prevent any interference with or damage to such facilities. In the event such facilities are interfered with, impaired in their operation or damaged by the member, or by any other person when the member's reasonable care and surveillance should have prevented such, the member shall indemnify the Cooperative and its

employees, agents and independent contractors, against death, injury, loss or damage resulting therefrom, including but not limited to the Cooperative's cost of repairing, replacing or relocating any such facilities and its loss, if any, of revenues resulting from the failure or defective functioning of its metering equipment. The Cooperative shall, however, in accordance with its applicable service rules and regulations, indemnify the member for any overcharges for service that may result from a malfunctioning of its metering equipment or any error occurring in the Cooperative's billing procedures. In no event shall the responsibility of the Cooperative for furnishing electric service extend beyond the point of delivery.

Section 1.09. Member to Grant Easements to Cooperative and to Participate in Required Cooperative Load Management Programs. Each member shall, upon being requested so to do by the Cooperative, execute and deliver to the Cooperative grants of easement or right-of-way over, on and under such lands owned or leased by or mortgaged to the member; and in accordance with such reasonable terms and conditions, as the Cooperative shall require for the furnishing of retail electric service to him/her or other members or for the construction, operation, maintenance or relocation of the Cooperative's electric facilities. Each member shall participate in any required program and comply with related rates and service rules and regulations that may be established by the Cooperative to enhance load management, more efficiently to utilize or conserve electric energy, or to conduct load research.

ARTICLE II
MEMBERSHIP SUSPENSION
AND TERMINATION

Section 2.01. Suspension; Reinstatement. Upon his/her failure, after the expiration of the initial time limit prescribed either in a specific notice to him/her or in the Cooperative's generally publicized applicable rules and regulations, to pay any amounts due to the Cooperative or to cease any other noncompliance with his/her membership obligations, a person's membership for retail service shall automatically be suspended; and he/she shall not during such suspension be entitled to receive electric service from the Cooperative or to cast a vote at any meeting of the members. Payment of all amounts due the Cooperative, including any additional charges required for such reinstatement, and/or cessation of any other non-compliance with his/her membership obligations within the final time limit provided in such notice of rules and regulations shall automatically reinstate the membership, in which event the member shall thereafter be entitled to receive electric service from the Cooperative and to vote at the meetings of its members.

Section 2.02. Termination by Expulsion; Renewed Membership. Upon failure of a suspended member to be automatically reinstated to membership, as provided in Section 2.01, he/she may, without further notice, but only after due hearing if such is requested by him, be expelled by resolution of the Board of Directors at any subsequently held regular or

special meeting of the Board. Any person so expelled may, by delivering written notice to that effect to the Cooperative at least ten (10) days prior to the next meeting of the members, appeal to and be present and heard at such meeting, which may vote approval of such expulsion or disapproval thereof, in which latter event such person's membership shall be reinstated retroactively to the date of his/her expulsion. After any finally effective expulsion of a member, he/she may not again become a member except upon new application therefor as provided in Sections 1.02 and 1.05. The Board of Directors, acting upon principles of general application in such cases, may establish such additional terms and conditions for renewed membership as it determines to be reasonably necessary to assure the applicant's compliance with all his/her membership obligations.

Section 2.03. Termination by Withdrawal or Resignation. A retail member may withdraw from membership upon such generally applicable conditions as the Board of Directors shall prescribe and upon either (a) ceasing to (or, with the approval of the Board of Directors, resigning his/her membership in favor of a new applicant who also shall) own or directly occupy or use all premises being furnished electric service pursuant to his/her membership, or (b) except when the Board of Directors specifically waives such condition, abandoning totally and permanently the use of central station electric service on such premises.

Section 2.04. Termination by Death or Cessation of Existence; Continuation of Membership in Remaining or New Partners. Except as provided in Section 2.06, the death of an individual human member shall automatically terminate his/her membership. The cessation of the legal existence of any other type of member shall automatically terminate such membership; PROVIDED, that upon the dissolution for any reason of a partnership, or upon the death, withdrawal or addition of any individual partner, such membership shall continue to be held by such remaining and/or new partner or partners as continue to own or directly to occupy or use the premises being furnished electric service pursuant to such membership in the same manner and to the same effect as though such membership had never been held by different partners: PROVIDED FURTHER, that neither a withdrawing partner nor his/her estate shall be released from any debts then due the Cooperative.

Section 2.05. Effect of Termination. Upon the termination in any manner of a person's membership, he/she or his/her estate, as the case may be, shall be entitled to refund of his/her membership fee (and to his/her service security deposit, if any, theretofore paid the Cooperative), as long as such refund does not impair the financial condition of the Cooperative as determined by the Board of Directors, less any amounts due the Cooperative; but neither he/she nor his/her estate, as the case may be, shall be released from any debts or other obligations then remaining due the Cooperative. Notwithstanding the suspension or expulsion of a member, as provided for in Sections 2.01 and 2.02, such suspension or expulsion shall not, unless the Board of Directors shall expressly so elect, constitute such release of such person from

his/her membership obligations as to entitle him/her to purchase from any other person any central station electric power and energy for use at the premises to which such service has theretofore been furnished by the Cooperative pursuant to such membership. The obligations of the Cooperative and of wholesale members being served pursuant to a contract approved by the Board of Directors shall not be affected by a termination of membership.

Section 2.06. Effect of Death, Legal Separation or Divorce upon a Joint Membership. Upon the death of either spouse of a joint membership, such membership shall continue to be held solely by the survivor, in the same manner and to the same effect as though such membership had never been joint: PROVIDED, that the estate of the deceased spouse shall not be released from any debts due the Cooperative. Upon the legal separation or divorce of the holders of a joint membership, such membership shall continue to be held solely by the one who continues directly to occupy or use the premises covered by such membership, in the same manner and to the same effect as though such membership had never been joint: PROVIDED that the other spouse shall not be released from any debts due the Cooperative.

Section 2.07. Board Acknowledgment of Membership Termination; Acceptance of Members Retroactively. Upon the termination of a person's membership for any reason, the Board of Directors, so soon as practicable after such termination is made known to it, shall by appropriate resolution formally acknowledge such termination, effective as of the date on which the Cooperative ceased furnishing electric service to such person. Upon discovery that the Cooperative has been furnishing electric service to any person other than a member, it shall cease furnishing such service unless such person applies for, and the Board of Directors approves, membership retroactively to the date on which such person first began receiving such service, in which event the Cooperative, to the extent practicable, shall correct its membership and all related records accordingly.

Section 2.08. Termination by Non-Payment of Amounts Due the Cooperative and Collection Thereof. In the event a member's account is terminated for nonpayment of all amounts due the Cooperative and the amounts cannot be collected through the efforts of the Cooperative, the uncollectable amounts shall be submitted to a third party for collection and the former member shall be responsible for the collection expenses.

**ARTICLE III
MEETINGS OF MEMBERS**

Section 3.01. Annual Meeting. For the purposes of electing directors, hearing and passing upon reports covering the previous fiscal year, and transacting such other business as may properly come before the meeting, the annual meeting of the members shall be held between July 31 and August 16 of each year, at such place in one of the counties in Georgia within which the Cooperative serves, and beginning at such hour, as the Board of

Directors shall from year to year fix: PROVIDED, that for cause sufficient to it, the Board of Directors may fix a different date for such annual meeting not more than thirty (30) days prior subsequent to the day otherwise established for such meeting in this Section. It shall be the responsibility of the Board of Directors to make adequate plans and preparations for, and to encourage member attendance at, the annual meeting. Failure to hold the annual meeting at the designated time and place shall not work a forfeiture or dissolution of the Cooperative.

Section 3.02. Special Meetings. A special meeting of the members may be called by the Board of Directors, the Chairman of the Board, by any three directors, or by petition signed by not less than ten (10) percent of the then- total members of the Cooperative, and it shall thereupon be the duty of the Secretary to cause notice of such meeting to be given as hereinafter provided in Section 3.03. Such a meeting shall be held at such place in one of the counties in Georgia which the Cooperative serves, on such date not sooner than forty (40) days after the call for such meeting is made, or a petition therefor is filed, and beginning at such hour as shall be designated by him/her or those calling or petitioning for the same.

Section 3.03. Notice of Member Meetings. Written or printed notice of the place, day and hour of the meeting and, in the case of a special meeting or of an annual meeting at which business requiring special notice is to be transacted, the purpose of purposes of the meeting shall, except as provided in Ga. Code Sections 46-3-382, 46-3-401, and 46-3-420, be delivered to each member not less than five (5) days nor more than ninety (90) days prior to the date of the meeting, by any reasonable means, by or at the direction of the Chairman, the Secretary, (or, in the case of a special meeting, at the direction of him/her or those calling the meeting). Reasonable means of providing such notice shall include but not be limited to United States mail, personal delivery, the Cooperative's monthly newsletter and/or its monthly insert, if any, or member service billings. No matter the carrying of which, as provided by law or by the Cooperative's Articles of Incorporation or bylaws requires the affirmative votes of at least a majority of all the Cooperative's members shall be acted upon at any meeting of the members unless notice of such matter shall have been contained in the notice of the meeting. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the member at his/her address as it appears on the records of the Cooperative, with postage thereon prepaid and, whether mailed first-class or not, postmarked at least five (5) days prior to the meeting date. In making such computation, date of the meeting shall not be counted. The incidental and non-intended failure of any member to receive such notice shall not invalidate any action which may be taken by the members at any such meeting, and the attendance in person of a member at any meeting of the members shall constitute a waiver of notice of such meeting, unless such attendance shall be for the express purpose of objecting to the transaction of any business, or one or more items of business, on the ground that the meeting shall not have been lawfully called or convened. Any member attending any meeting for the purpose of making such objection shall notify the Secretary prior to or at the beginning of the meeting of his/her objection.

Section 3.04. Quorum. Business may not be transacted at any meeting of the members unless, at the organization of the meeting, there are present in person at least one hundred fifty (150) of the then-total members of the Cooperative, except that, if a quorum is never established, a majority of those present in person may without further notice adjourn the meeting to another time and date not less than thirty (30) days later and to any place in one of the counties in Georgia within which the Cooperative serves: PROVIDED, that the Secretary shall notify any absent members of the time, date and place of such adjourned meeting by delivering notice thereof as provided in Section 3.03. At all meetings of the members, whether a quorum be present or not, the Secretary shall annex to the meeting minutes, or incorporate therein by reference, a list of those members who were registered as present. When a quorum is once present to organize a meeting, the members who remain present may continue to do business at the meeting, or at any adjournment thereof, notwithstanding the withdrawal of enough members to leave less than a quorum.

Section 3.05. Voting. Each member who is not in a status of suspension, as provided for in Section 2.01, shall be entitled to only one vote upon each matter submitted to a vote at any meeting of the members. Voting by members other than members who are natural persons shall be allowed upon the presentation to the Cooperative, prior to or upon registration at each member meeting, of satisfactory evidence entitling the person presenting the same to vote. At all meetings of the members, all questions shall be decided by a majority of the members voting thereon, except as otherwise provided by law or by the Cooperative's Articles of Incorporation or these Bylaws. Members may not cumulate their vote by proxy or mail.

Section 3.06. Credentials and Election Committee. The Board of Directors may, at least ten (10) days before any meeting of the members, appoint a Credentials and Election Committee. The Committee shall consist of an uneven number of members not less than three (3) nor more than five (5) who are not members of the Nominating Committee or existing Cooperative employees, agents, officers, directors or known candidates for director, and who are not close relatives (as hereinafter defined) or members of the same household thereof. In appointing the Committee, the Board shall have regard for the equitable representation of the several areas served by the Cooperative. The Committee shall elect its own chairman and secretary prior to the member meeting.

This committee shall be responsible for the counting of all ballots or votes cast and for ruling on the effect of any ballots or votes irregularly marked or cast and on all other questions that may arise relating to member voting and the election of directors, including, but not limited to, the validity of petitions of nomination or qualification of candidates and the regularity of the nomination and election of directors. Any committee member related within the third degree by affinity or consanguinity, computed according to the civil law, to any candidate for director shall refrain from participating in any deliberation or vote of the committee concerning such candidate.

On request of the person presiding at the meeting of the members or on the request of any member entitled to vote thereat, filed within three business days following adjournment of the meeting in which the vote is conducted, such committee shall make a report in writing of any challenge, question, count, or matter determined by the committee and shall execute a certificate of any fact found by them. Any such report or certificate made by them shall be prima-facie evidence of the facts stated and of the vote as certified by them.

Section 3.07. Order of Business. The order of business at the annual meeting of the members and, insofar as practicable or desirable, at all other meetings of the members shall be essentially as follows:

- (1) Report on the number of members present in order to determine the existence of a quorum;
- (2) Reading of the notice of the meeting and proof of the due publication of mailing thereof, or of the waiver or waivers of notice of the meeting, as the case may be;
- (3) Reading of unapproved minutes of previous meetings of the members and the taking of necessary action thereon;
- (4) Presentation and consideration of reports of officers, directors and committees;
- (5) Election of directors;
- (6) Unfinished business;
- (7) New business; and
- (8) Adjournment

Notwithstanding the foregoing, the Board of Directors or the members themselves may from time to time establish a different order of business for the purpose of assuring the earlier consideration of and action upon any item of business the transaction of which is necessary or desirable in advance of any other item of business: PROVIDED, that no business other than adjournment of the meeting to another time and place may be transacted until and unless the existence of a quorum is first established.

ARTICLE IV DIRECTORS

Section 4.01. Number and General Powers. The business and affairs of the Cooperative shall be managed by a Board of eight

(8) Directors. The Board shall exercise all of the powers of the Cooperative except such as are by law or by the Cooperative's Articles of Incorporation or Bylaws conferred upon or reserved to the members. The Board of Directors shall not appoint or elect any committee to exercise the authority of the Board. However, the Board may appoint or elect from its own membership one or more committees, each consisting of at least two directors, for the purpose of serving in an advisory or recommendatory capacity to the Board.

Section 4.02. Qualifications. No person shall be eligible to become or remain a director of the Cooperative who is a close relative of an incumbent director, who will continue to serve after his/her election, or of an employee of the Cooperative, or is not a member in good standing of the Cooperative and receiving service therefrom at his/her primary residential abode. No person shall be eligible to become or remain a director of, or to hold any other position of trust in, the Cooperative who is not of legal age to enter into a contract or is in any way employed by or substantially financially interested in a competing enterprise, or a business selling electric energy or supplies to the Cooperative, or a business primarily engaged in selling electrical or plumbing appliances, fixtures or supplies to, among others, the members of the Cooperative. Notwithstanding any of the foregoing provisions of this section treating with close relative relationships, no incumbent director shall lose eligibility to remain a director or to be reelected as a director if he/she becomes a close relative of another incumbent director or of a Cooperative employee because of a marriage to which he/she was not a party. Upon establishment of the fact that a nominee for director lacks eligibility under this Section or as may be provided elsewhere in these Bylaws, it shall be the duty of the chairman presiding at the meeting at which such nominee would otherwise be voted upon to disqualify such nominee. Upon the establishment of the fact that any person being considered for, or already holding a directorship or other position of trust in the Cooperative lacks eligibility under this Section, it shall be the duty of the Board of Directors to withhold such position from such person, or to cause him/her to be removed therefrom, as the case may be. Nothing contained in this Section shall, or shall be construed to, affect in any manner whatsoever the validity of any action taken at any meeting of the Board of Directors, unless such action is taken with respect to a matter which is affected by the provisions of this Section and in which one or more of the directors have an interest adverse to that of the Cooperative.

Section 4.03. Election. At each annual meeting of the members, directors shall be elected by secret written ballot by the members and from among those members who are natural persons. Provided that, when the number of nominees does not exceed the number of directors to be elected from a particular Directorate District, and if there is no objection, secret written balloting may be dispensed with in respect of that particular election and voting may be conducted in any other proper manner. Directors shall be elected by a majority of the votes cast.

Upon their election, directors shall, subject to the provisions of these Bylaws with respect to the removal of directors, serve until the annual meeting

of the members of the year in which their terms expire or until their successors shall have been elected and shall have qualified. If for any reason an election of directors shall not be held at an annual meeting of the members duly fixed and called pursuant to these Bylaws, such election may be held at an adjournment of such meeting or at a subsequently held special or the next annual meeting of the members. Failure of an election for a given year shall allow the incumbents whose directorships would have been voted on to hold over only until the next member meeting at which a quorum is present.

Section 4.04. Tenure. Directors shall be so nominated and elected that one director from Monroe and Bibb Counties, one director from Butts County, and one director from Spalding, Lamar and Pike Counties (Post 1) shall be elected for three-year terms each at an annual member meeting; one director from Henry, Clayton and Fayette Counties, one director from Morgan, Putnam, Jasper; Jones and Newton Counties, and one director at large (Post 1) shall be elected for three-year terms at the next succeeding annual member meeting; and one director from Spalding, Lamar and Pike Counties (Post 2), and one director at large (Post 2) shall be elected for three-year terms each at the next succeeding annual member meeting; and so forth. Upon their election, directors shall, subject to the provisions of these Bylaws with respect to the removal of directors, serve until the annual meeting of the members of the year in which their terms expire or until their successors shall have been elected and shall have qualified. If for any reason an election of directors shall not be held at an annual meeting of the members duly fixed and called pursuant to these Bylaws, such election may be held at an adjournment of such meeting or at a subsequently held special or the next annual meeting of the members. Failure of an election for a given year shall allow the incumbents whose directorships would have been voted on to hold over only until the next member meeting at which a quorum is present.

Section 4.05. Nominations. It shall be the duty of the Board of Directors to appoint, not less than ninety (90) nor more than one hundred twenty (120) days prior to the date of a meeting of the members at which directors are to be elected, a Committee on Nominations, consisting of not less than five (5) nor more than eleven (11) members of the Cooperative who are not existing Cooperative employees, agents, officers, directors or known candidates for director, who are not close relatives (as hereinafter defined) or members of the same household thereof, and who are so selected that each of the Cooperative's Directorate Districts shall have representation thereon in proportion to the number of authorized directors from or with respect to such District. The committee shall prepare and post at the principal office of the Cooperative at least forty-five (45) days prior to the meeting a list of nominations for directors to be elected, listing separately the nominee(s) for each Directorate District from or with respect to which a director must, pursuant to this Article, be elected at the meeting. The committee may include as many nominees for any directors to be elected from or with respect to any Directorate District as it deems desirable. Any fifteen (15) or more members of the Cooperative, acting together, may make additional nominations in writing over their signatures, listing their nominee(s) in like manner, not less than forty-five (45) days prior to the meeting, and the Secretary shall post such nominations at

the same place where the list of nominations made by the Committee is posted. Nominations may also be made from the floor provided that written notice of the full name of such nominee shall have been given to the Secretary of the Cooperative at least forty-five (45) days prior to such meeting. The Secretary shall mail to the members with the notice of the meeting, or separately, but at least five (5) days prior to the date of the meeting a statement of the names and addresses of all nominees for each Directorate District from or with respect to which one or more directors must be elected, showing clearly those nominated by the Committee, those nominated by petition, and those to be nominated from the floor, if any. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

Section 4.06. Voting for Directors; Validity of Board Action. In the election of directors, each member shall be entitled to cast the number of votes (but not cumulatively) which corresponds to the total number of directors to be elected, but no member may vote for more nominees than the number of directors that are to be elected from or with respect to any particular Directorate District. Ballots marked in violation of the foregoing restriction with respect to one or more Directorate Districts shall be invalid and shall not be counted with respect to such District or Districts. Notwithstanding the provisions contained in this Section, failure to comply with any of such provisions shall not affect in any manner whatsoever the validity of any action taken by the Board of Directors after the election of directors.

Section 4.07. Removal of Directors by Members. Any member may bring one or more charges for cause against any one or more directors and may request the removal of such director(s) by reason thereof by filing with the Secretary such charge(s) in writing together with a petition signed by not less than ten (10%) percent of the then-total members of the Cooperative, which petition calls for a special member meeting the stated purpose of which shall be to hear and act on such charge(s) and, if one or more directors are recalled, to elect their successor(s). The Board of Directors shall specify the place, time and date thereof not sooner than forty (40) days after the filing of such petition or require that the matter be acted upon at the subsequent annual member meeting if such meeting will be held not sooner than forty (40) days and not later than ninety (90) days after the filing of such petition. Each page of the petition shall, in the forefront thereof, state the name(s) and address(es) of the member(s) filing such charge(s), a verbatim statement of such charge(s) and the name(s) of the director(s) against whom the charge(s) is (are) being made. The petition shall be signed by each member in the same name as he/she is billed by the Cooperative and shall state the signatory's address as the same appears on such billings. Notice of such charge(s) verbatim, of the director(s) against whom the charge(s) have been made, of the member(s) filing the charge(s) and the purpose, time, place, and date of the meeting shall be contained in the notice of the meeting, or separately noticed to the members not less than ten (10) days prior to the member meeting at which the matter will be acted upon; PROVIDED, that the notice shall set forth only twenty (20) of the names (in alphabetical order) of the members filing one or more charges if

twenty (20) or more members file the same charge(s) against the same director(s). Such director(s) shall be informed in writing of the charges after they have been validly filed and at least twenty (20) days prior to the meeting of the members at which the charge(s) are to be considered, and shall have an opportunity at the meeting to be heard in person, by witnesses, by counsel or any combination of such, and to present evidence in respect of the charges; and the person(s) bringing the charge(s) shall have the same opportunity but must be heard first. The question of the removal of such director(s) shall, separately for each if more than one has been charged, be considered and voted upon at such meeting, and any vacancy created by such removal shall be filled by vote of the members at such meeting without compliance with the foregoing provisions with respect to nominations, except that nominations shall be made from the floor; PROVIDED, that the question of the removal of a director shall not be voted upon at all unless some evidence in support of the charge(s) against him/her shall have been presented during the meeting through oral statements, documents or otherwise. A newly elected director shall be from or with respect to the same Directorate District as was the director whose office he/she succeeds and shall serve the unexpired portion of the removed director's term.

Section 4.08. Vacancies. Subject to the provisions of these Bylaws with respect to the filling of vacancies caused by the removal of directors by the members, a vacancy occurring in the Board of Directors shall be filled by the Board of Directors. A director thus elected shall serve out the unexpired term of the director whose office was originally vacated and until a successor is elected and qualified: PROVIDED, that such a director shall be from or with respect to the same Directorate District as was the director whose office was vacated.

Section 4.09. Compensation; Expenses. For their services as such, directors shall, on a per diem basis, receive such compensation, which may include insurance benefits, as is fixed by resolution of the Board of Directors. Directors shall also receive advancement or reimbursement of any travel and out-of-pocket expenses actually, necessarily and reasonable incurred, in performing their duties. No close relative of a director shall be employed by the Cooperative and no director shall receive compensation for serving the Cooperative in any other capacity, unless the employment of such relative or the service of such director is temporary and shall be specifically authorized by a vote of the members upon their resolved determination that such was an emergency measure: PROVIDED, that a director who is also an officer of the Board, and who as such officer performs regular or periodic duties of a substantial nature for the Cooperative in its fiscal affairs, may be compensated in such amount as shall be fixed and authorized in advance of such service by the unanimous vote of the remaining directors. The Cooperative shall indemnify directors and may purchase insurance to cover such indemnification, as provided for in Ga. Code Section 46-3-306.

Section 4.10. Rules, Regulations, Rate Schedules and Contracts. The Board of Directors shall have power to make, adopt, amend, abolish and promulgate such rules, regulations, rate classifications, rate

schedules, contracts, security deposits and any other types of deposits, payments or charges, including contributions in aid of construction, not inconsistent with law or the Cooperative's Articles of Incorporation or Bylaws, as it may deem advisable for the management, administration and regulation of the business affairs of the Cooperative.

Section 4.11. Accounting System and Reports. The Board of Directors shall cause to be established and maintained a complete accounting system of the Cooperative's financial operations and condition, and shall, after the close of each audit year (beginning on the first day of the month of January of each year and ending on the last day of the month of December following), cause to be made a full, complete and independent audit of the Cooperative's accounts, books and records reflecting financial operations during, and financial conditions as of the end of, such year. A full and accurate summary of such audit reports shall be submitted to the members at or prior to the succeeding annual meeting of the members. The Board may authorize special audits, complete or partial, at any time and for any specified period of time.

Section 4.12. "Close Relative" Defined. As used in these Bylaws, "close relative" means a person who, by blood or in law, including half, foster, step, and adoptive kin, is either a spouse, child, grandchild, parent, grandparent, brother or sister of principal.

ARTICLE V MEETINGS OF DIRECTORS

Section 5.01. Regular Meetings. A regular meeting of the Board of Directors shall be held, without notice, immediately after the adjournment of the annual meeting of the members, or as soon thereafter as conveniently may be, at such site as designated by the Board in advance of the annual member meeting. A regular meeting of the Board of Directors shall also be held monthly at such date, time and place in one of the counties in Georgia within which the Cooperative serves as the Board shall provide by resolution. Such regular monthly meeting may be held without notice other than such resolution fixing the date, time and place thereof, except when business to be transacted thereat shall require special notice: PROVIDED, that any director absent from any meeting of the Board at which such a resolution initially determines or makes any change in the date, time or place of a regular meeting shall be entitled to receive written notice of such determination or change at least five (5) days prior to the next meeting of the Board: AND PROVIDED FURTHER that, if a policy therefore is established by the Board, the Chairman may change the date, time or place of a regular monthly meeting for good cause and upon at least five (5) days notice thereof to all directors.

Section 5.02. Special Meetings. Special meetings of the Board of Directors may be called by Board resolution by the Chairman of the Board or by any three (3) directors, and it shall thereupon be the duty of the

Secretary to cause notice of such meeting to be given as hereinafter provided in Section 5.03. The Board, the Chairman, or the directors calling the meeting shall fix the date, time and place for the meeting, which shall be held in one of the counties in Georgia within which the Cooperative serves, unless all directors consent to its being held in some other place in Georgia or elsewhere. Special meetings upon proper notice as otherwise provided herein may also be held via telephone conference call, without regard to the actual location of the directors at the time of such a telephone conference meeting, if all the directors consent thereto.

Section 5.03. Notice of Directors Meetings. Written notice of the date, time, place (or telephone conference call) and purpose of purposes of any special meeting of the Board and, when the business to be transacted thereat shall require such, of any regular meeting of the Board shall be delivered to each director not less than five (5) days prior thereto, either personally or by mail, by or at the direction of the Secretary or, upon a default in this duty by the Secretary, by him/her or those calling it in the case of a special meeting or by any director in the case of any meeting whose date, time and place have already been fixed by Board resolution. If mailed, such notice shall be deemed to be delivered when deposited in the United States mail, addressed to the director at his/her address as it appears on the records of the Cooperative, with first class postage thereon prepaid, and postmarked at least five (5) days prior to the meeting date. The attendance of a director at any meeting of the Board shall constitute a waiver of notice of such meeting unless such attendance shall be for the express purpose of objecting to the transaction of any business, or of one or more items of business, on the ground that the meeting shall not have been lawfully called or convened.

Section 5.04. Quorum. The presence in person of a majority of the directors in office shall be required for the transaction of business, and, the affirmative votes of a majority of the directors present and voting shall be required for any action to be taken: PROVIDED, that a director who by law or these Bylaws is disqualified from voting on a particular matter shall not, with respect to consideration of and action upon that matter, be counted in determining the number of directors in office or present. AND PROVIDED FURTHER that, if less than quorum be present at a meeting, a majority of the directors present may adjourn the meeting from time to time, but shall cause the absent directors to be duly and timely notified of the date, time and place of such adjourned meeting.

ARTICLE VI

Any other officers may be elected by the Board from among such persons, and with such title, tenure, responsibilities and authorities, as the Board of Directors may from time to time deem advisable.

(d) keep, or cause to be kept, a register of the name and post office address of each member, which address shall be furnished to the Cooperative by such member;

(c) in general perform all the duties incident to the office of Treasurer and such other duties as from time to time may be assigned to him/her by the Board of Directors.

Section 6.09. Delegation of Secretary's and Treasurer's Responsibilities. Notwithstanding the duties, responsibilities and authorities of the Secretary and of the Treasurer hereinbefore provided in Sections 6.07 and 6.08, the Board of Directors by resolution may, except as otherwise limited by law, delegate, wholly or in part, the responsibility and authority for, and the regular or routine administration of, one or more of each such officer's such duties to one or more agents, other officers or employees of the Cooperative who are not directors. To the extent that the Board does so delegate with respect to any such officer that officer as such shall be released from such duties, responsibilities and authorities.

Section 6.10. President. The Board of Directors may appoint a president, who may be, but who shall not be required to be, a member of the Cooperative. Such officer shall perform such duties as the Board of Directors may from time to time require and shall have such authority as the Board of Directors may from time to time vest in him.

Section 6.11. Bonds. The Board of Directors shall require the Treasurer and any other officer, agent or employee of the Cooperative charged with responsibility for the custody of any of its funds or property give bond in such sum and with such surety as the Board of Directors shall determine. The Board of Directors in its discretion may also require any other officer, agent or employee of the Cooperative to give bond in such amount and with such surety as it shall determine. The costs of all such bonds shall be borne by the Cooperative.

Section 6.12. Compensation; Indemnification. The compensation, if any, of any officer, agent or employee who is also a director or close relative of a director shall be determined as provided in Section 4.10 of these Bylaws, and the powers, duties and compensation of any other officers, agents and employees shall be fixed or a plan therefor approved by the Board of Directors. Section 6.13. Reports. The officers of the Cooperative shall submit at each annual meeting of the members reports covering the business of the Cooperative for the previous fiscal year and showing the condition of the Cooperative at the close of such fiscal year.

ARTICLE VII

CONTRACTS, CHECKS AND DEPOSITS

Section 7.01. Contracts. Except as otherwise provided by law or these Bylaws, the Board of Directors may authorize any Cooperative officer, or agent to enter into any contract or execute and deliver any instrument in the name and on behalf of the Cooperative, and such authority may be general or confined to specific instances.

Section 7.02. Checks, Drafts, etc. All checks, drafts, or other orders for the payment of money, and all notes, bonds or other evidences of indebtedness, issued in the name of the Cooperative, shall be signed or countersigned by such officer, agent or employee of the Cooperative and in such manner as shall from time to time be determined by resolution of the Board of Directors.

Section 7.03. Deposits; Investments. All funds of the Cooperative shall be deposited or invested from time to time to the credit of the Cooperative in such bank or banks or in such financial securities or institutions as the Board of Directors may select.

ARTICLE VIII

MEMBERSHIP CERTIFICATES

Section 8.01. Certificates of Membership. Membership in the Cooperative may, if the Board so resolves, be evidenced by a certificate of membership, which shall be in such form and shall contain such provisions as shall be determined by the Board of Directors not contrary to, or inconsistent with, the Cooperative's Articles of Incorporation or its Bylaws. Such certificates, if authorized to be issued by the Board, shall be signed by the Chairman and by the Secretary, and the seal shall be affixed thereto: PROVIDED, that the seal and signatures of the Chairman and the Secretary may be imprinted thereon by facsimile.

Section 8.02. Issue of Membership Certificates. No membership certificate shall be issued for less than the membership fee fixed by these Bylaws nor until such membership fee, any required service security deposits, facilities extension deposits, service connection fees, or contributions in aid of construction have been fully paid.

Section 8.03. Lost Certificate. In case of a lost, destroyed or mutilated certificate, a new certificate may be issued therefor upon such terms and such indemnity to the Cooperative as the Board of Directors may prescribe.

ARTICLE IX

NON-PROFIT OPERATION

Section 9.01. Interest or Dividends on Capital Prohibited. The Cooperative shall at all times be operated on a cooperative nonprofit basis for the mutual benefit of its patrons. No interest or dividends shall be paid or payable by the Cooperative on any capital furnished by its patrons.

Section 9.02. Patronage Capital in Connection with Furnishing Electric Energy. In the furnishing of electric energy the Cooperative's operations shall be so conducted that all retail patrons will, through their patronage, furnish capital for the Cooperative; and in the furnishing of electric energy to the Cooperative's wholesale customers, the Cooperative's operations shall be so conducted to recover the cost of service. In order to induce patronage and to assure that the Cooperative will operate on a nonprofit basis, the Cooperative is obligated to account on a patronage basis to all its patrons for all amounts received and receivable from the furnishing of electric energy in excess of operating costs and expenses properly chargeable against the furnishing of electric energy. All such amounts in excess of operating costs and expenses at the moment of receipt by the Cooperative are received with the understanding that they are furnished by the patrons as capital. The Cooperative is obligated to pay by credits to a capital account for each patron all such amounts in excess of operating costs and expenses. All patronage capital shall be furnished on the basis of federal income tax reporting. The books and records of the Cooperative shall be set up and kept in such a manner that at the end of each federal income tax year the amount of capital, if any, so furnished by each patron is clearly reflected and credited in an appropriate record to the capital account of each patron, and the Cooperative shall within eight and one-half months after the close of the federal income tax year notify each patron of the amount of capital so credited to his/her account. All such amounts credited to the capital account of any patron shall have the same status as though they had been paid to the patron in cash in pursuance of a legal obligation to do so and the patron had then furnished the Cooperative corresponding amounts for capital.

All other amounts received by the Cooperative from its operations in excess of costs and expenses shall, insofar as permitted by law, be (a) used to offset any losses incurred during the current or any prior fiscal year and (b) to the extent not needed for that purpose, allocated to its patrons on a patronage basis based upon the margins contributed by a member or a class of members, and any amount so allocated shall be included as a part of the capital credited to the accounts of patrons, as herein provided.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis before any payments are made on account of property rights of members: PROVIDED, that insofar as gains may at that time be realized from the sale of any appreciated

asset, such gains shall be distributed to all persons who were patrons during the period the asset was owned by the Cooperative in proportion to the amount of business done by such patrons during that period insofar as is practicable, as determined by the Board of Directors, before any payments are made on account of property rights of members. If, at any time prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to patrons' accounts may be retired in full or in part. Any such retirements of capital shall be made in order of priority according to the year in which the capital was furnished and credited, the capital first received by the Cooperative being first retired: PROVIDED, however, that the Board of Directors shall have the power to adopt rules providing for the separate retirement of that portion ("power supply or other service of supply portion") of capital credited to the accounts of patrons which corresponds to capital credited to the account of the Cooperative by an organization furnishing power supply or any other service or supply to the Cooperative. Such rules shall (a) establish a method for determining the portion of such capital credited to each patron for each applicable fiscal year, (b) provide for separate identification on the Cooperative's books of such portions of capital credited to the Cooperative's patrons, (c) provide for appropriate notifications to patrons with respect to such portions of capital credited to their accounts, and (d) preclude a general retirement of such portions of capital credited to patrons for any fiscal year prior to the general retirement of other capital credited to patrons for the same year or of any capital credited to patrons for any prior fiscal year.

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instructions from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative, unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Notwithstanding any other provisions of these Bylaws, the Board of Directors shall, at its discretion, have the power at any time upon the death of any patron, who was a natural person, (or if as so provided for in the preceding paragraph, upon the death of an assignee of the capital credits of a patron, which assignee was natural person), if the legal representative of his/her estate shall request in writing that the capital so credited or assigned, as the case may be, be retired prior to the time such capital would otherwise be retired under the provisions of the Bylaws, to retire such capital immediately upon such terms and conditions as the Board of Directors, acting under policies of general application to situations of like kind, and such legal representatives, shall agree upon: PROVIDED, however, that the financial condition of the Cooperative will not be impaired thereby.

The Cooperative, before retiring any capital credited to any patron's account, shall deduct therefrom any amount owing by such patron to the Cooperative, together with interest thereon at the Georgia legal rate on judgments in effect when such amount became overdue, compounded annually.

Furthermore, any costs associated with administration of patronage capital of inactive patron's accounts may also be deducted from assignable patronage capital.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions. The provisions of this Article of the Bylaws shall be called to the attention of each patron of the Cooperative by posting in a conspicuous place in the Cooperative's offices.

Section 9.03. Patronage Refunds in Connection with Furnishing Other Services. In the event that the Cooperative should engage in the business of furnishing goods or services other than electric energy, all amounts received and receivable therefrom which are in excess of costs and expenses properly chargeable against the furnishing of such goods or services shall, insofar as permitted by law, be prorated annually on a patronage basis and returned to those patrons from whom such amounts were obtained at such time and in such order of priority as the Board of Directors shall determine.

**ARTICLE X
WAIVER OF NOTICE**

Any member or director may waive, in writing, any notice of meetings required to be given by these Bylaws or any notice that may otherwise be legally required, either before or after such notice is required to be given.

**ARTICLE XI
DISPOSITION AND PLEDGING OF PROPERTY
DISTRIBUTION OF SURPLUS ASSETS
ON DISSOLUTION**

Section 11.01. Disposition and Pledging of Property.

(a) The Cooperative's Board of Directors, without requirement of the member's vote or consent, is empowered to authorize any sale, lease, lease- sale, exchange, transfer or other disposition of less than substantially all of the Cooperative's properties and assets and to authorize the execution and delivery of mortgages, deeds of trusts or any other security instruments covering all or any part of the Cooperative's property and assets, all as provided for in Ga. Code Section 46-3-400(a) and (b).

(b) The sale, lease, lease-sale, exchange, transfer or other disposition of all or substantially all of the Cooperative's properties

and assets may be authorized and effectuated pursuant to the provisions of Ga. Code Section 46-3-40 1 and Section 11.02 of these Bylaws, not in conflict with, or in lieu of, but rather as supplementary to such sections, the following procedures shall be followed in authorizing such a sale, lease, lease-sale, exchange, transfer or other disposition:

(1) If the Board of Directors looks with favor upon any proposal for such sale, lease, lease-sale, exchange, transfer or other disposition, it shall first cause three (3) independent, non affiliated appraisers, expert in such matters, to render their individual opinions as to the value of the Cooperative with respect to such a sale, lease, lease-sale, exchange, transfer or other disposition and as to any other terms and conditions which should be considered. The three (3) such appraisers shall be designated by a Superior Court Resident or Chief Judge for the Judicial District in Georgia in which the Cooperative's headquarters is located. If such judge refuses to make such designations, they shall be made by the Board of Directors.

(2) If the Board of Directors, after receiving such appraisals (and other terms and conditions which are submitted, if any), determines that the proposal should be submitted for consideration by the members, it shall first give every other electric membership corporation corporately sited and operating in Georgia (which has not made the proposal for such sale, lease, lease-sale, exchange, transfer or disposition) an opportunity to submit competing proposals, such opportunity shall be in the form of a written notice to such electric membership corporations, which notice shall be attached to a copy of the proposal which the Cooperative has already received and copies of the respective reports of the three (3) appraisers. Such electric membership corporations shall be given not less than thirty (30) days during which to submit competing proposals and the actual minimum period within which proposals are to be submitted shall be stated in the written notice given to them.

(3) If the Board then determines that favorable consideration should be given to the initial or any subsequent proposal which has been submitted to it, it shall adopt a resolution recommending the sale and directing the submission of the proposal to a vote of the members at a duly held member meeting, and shall so notify the members not less than sixty (60) days before noticing a special meeting of the members thereon or, if such be the case, the next annual member meeting, expressing in detail each of any such proposals, shall call a special meeting of the members for consideration thereof and action thereon, which meeting shall be held not less nor more than ninety (90) days after the giving of notice thereof to the members: PROVIDED, that consideration and action by the members may be given at the next annual member meeting if

the Board so determines and if such annual meeting is held not less nor more than ninety (90) days after the giving of notice of such meeting.

(4) Any fifty (50) or more members, by so petitioning the Board not less than thirty (30) days before the date of such special or annual meeting, may cause the Cooperative, with the cost to be borne by the Cooperative, to mail to all other members any opposing or alternative positions which they may have to the proposals that have been submitted or any recommendations that the Board has made.

The provisions of this subsection (b) shall not apply to a sale, lease, lease-sale, exchange, transfer or other disposition to one or more other electric membership corporations if the substantive or actual legal effect thereof is to merge or consolidate with such other one or more electric membership corporations.

Section 11.02. Distribution of Surplus Assets on Dissolution. Upon the Cooperative's dissolution, any assets remaining after all liabilities or obligations of the Cooperative have been satisfied and discharged shall, to the extent practicable as determined by the Board of Directors and not inconsistently with the provisions of the third paragraph of Section 9.02 of these Bylaws, be distributed without priority among all persons who are or who have been members of the Cooperative for any period during its existence, on the basis that their respective patronage during such periods bears to the total receipts of the Cooperative since its inception: PROVIDED, HOWEVER, that, if in the judgment of the Board the amount of such surplus is too small to justify the expense of making such distribution, the Board may, in lieu thereof, donate, or provide for the donation of, such surplus to one or more nonprofit charitable or educational organizations that are exempt from Federal income taxation.

ARTICLE XII

FISCAL YEAR

The Cooperative's fiscal year shall begin on the first day of the month of January of each year and end on the last day of the month of December following.

ARTICLE XIII

Parliamentary procedure at all meetings of the members, of the Board of Directors, of any committee provided for in these Bylaws and of any other committee of the members or Board of Directors which may from time to time be duly established shall be governed by the most recent edition of

Robert's Rules of Order, except to the extent such procedure is otherwise determined by law or by the Cooperative's Articles of Incorporation or Bylaws.

ARTICLE XIV

The Corporate seal of the Cooperative shall be in the form of a circle and shall have inscribed thereon the name of the Cooperative and the words "corporate seal, Georgia."
